Dear Sirs,

It is unfortunate that I mailed my complaint without having it sworn to and signed in the presence of a Notary Public and Notarized.

I, therefore, am submitting the same complaint as originally stated in my letter of 3/17/99 which is as follows:

One of our Industrial Companies of which we represent the P&M workers under a Labor/Management Agreement has violated the Federal Election Commission Rule 114.8.

Our International Electronics Union (IUE) has informed us that the Scott Aviation Company of 225 Erie Street, Lancaster, New York 14086 has a Management Political Action Committee.

The Local IUE Union #326 IUE AFL-CIO representing its workers has requested of this Company that its Members also be allowed to initiate a Cope (Committee on Political Education) payroll check-off under the Federal Election Commission Rule 114.8.

The Scott Aviation Company in Lancaster has refused.

Sincerely,

Dear Mr. Dudek:

This is to acknowledge receipt of your letter dated April 6, 1999. As we previously notified you on March 24, 1999, the Federal Election Campaign Act of 1971, as amended and Commission Regulations require that the contents of a complaint meet certain specific requirements. Your most recent letter does not meet these requirements. Although your letter was signed in the presence of a notary public and notarized, it was not sworn to, as required.

In order to file a legally sufficient complaint, you must swear before a notary that the contents of your complaint are true to the best of your knowledge and the notary must represent as part of the jurat that such swearing occurred. The preferred form is "Subscribed and sworn to before me on this ____ day of ____, 19__." A statement by the notary that the complaint was sworn to and subscribed before her also will be sufficient.

Please note that this matter will remain confidential for a 15 day period to allow you to correct the defects in your complaint. If the complaint is corrected and refiled within the 15 day period, the respondents will be so informed and provided a copy of the corrected complaint. The respondents will then have an additional 15 days to respond to the complaint on the merits. If the complaint is not corrected, the file will be closed and no additional notification will be provided to the respondents.

We regret the inconvenience that these requirements may cause you, but we are not statutorily empowered to proceed with the handling of a compliance action unless all the statutory requirements are fulfilled. See 2 U.S.C. § 437g. If you have any questions concerning this matter, please contact me at (202) 694-1650.

Sincerely,

Retha Dixon
